

THE
FABLEIST
WINE COMPANY

FABLE: **373**

CABERNET SAUVIGNON

Now accept the gift of The Fableist, which has been toiled and moiled over in an attempt to give both weary ants and shiftless cicadas peace of mind, and a belly full of warmth.

TASTING NOTES

Cozy as a Christmas fire, cranberry and rhubarb dance on the palate as you're filled with the warmth of pie spice, followed by a silky finish. You can practically hear the crackling flames.
