CHILLABLE RED WINE

The Boy and the Nettle

A boy gently grazed a nettle, and was taken aback when its leaves stung him. Upon seeing his distress, his mother said, "It stung because you merely brushed it. Next time, grab it with all your might, and it will not hurt you."

When asked how we get it all done, our answer is simple: We hustle. Wine is more than a job for The Fableist team. It's become a lifestyle, encompassing more of our lives as we befriend others in the industry, hone our craft and strive to do better each vintage.

Tasting Notes

Pause and enjoy this nostalgic bouquet of strawberry limeade, powdered sugar, RC Cherry and lively lemon thyme. On the palate, refreshing notes of fresh brambleberry and guava juice mingle with earthy lemon pepper and chamomile.

Winemaking

This wine was made with the intention of being served chilled on a hot day. The Pinot Noir was fermented partially as whole cluster to bring in bright, poppy fruit character. The Grenache, Syrah, and Blaufränkisch spent minimal time on the skins before being pressed whole cluster to ensure maximum drinkability.

SUSTAINABLE • NO ADDITIVES • VEGAN
